The background is a close-up photograph of an industrial process, likely grinding or welding, which produces a dense spray of bright orange and yellow sparks. A vertical, weathered metal rod is positioned in the center of the frame. Overlaid on the lower half of the image are three horizontal yellow bands of varying lengths, each with a diagonal cut on its right side, creating a modern, geometric design element.

A photograph of a bonfire made of logs, burning brightly on a sandy beach. The background shows the ocean with gentle waves under a warm, orange-hued sky, suggesting a sunset or sunrise. A large, bright yellow geometric shape, composed of several overlapping triangles, is overlaid on the left and bottom portions of the image. The word "OUTDOOR" is written in white, bold, sans-serif capital letters within the upper part of this yellow shape.

A close-up photograph of a person's lower legs and feet. They are wearing tan cargo pants with visible stitching and pockets, and dark, worn rubber boots. The person is standing on a dirt path or field. The background is a soft-focus landscape with trees and foliage. A bright yellow diagonal graphic element cuts across the middle of the image, serving as a background for the text.

A photograph of safety equipment on a light brown cardboard surface. In the upper left, a pair of clear safety glasses with a curved strap is visible. To the right and slightly below the glasses are several white work gloves. The gloves have a textured surface with many small black dots and larger black patches on the palms and fingers. A yellow safety strap is partially visible in the bottom left corner. Three yellow geometric shapes, resembling chevrons or triangles, are overlaid on the image: one large one behind the text, and two smaller ones below it.
